Dear Mr. Sparks:

Based on the action by the Iowa Department of Environmental Quality (IDEO) to terminate, at your request, the interim status of the subject facility we are returning herewith the Part A Hazardous Waste Permit Application.

This facility is currently classified as a regulated generator of hazardous waste. Any questions you may have concerning the handling of hazardous waste should be referred to IDEO.

Sincerely yours,

Robert L. Morby  
Chief, Waste Management Branch  
Air and Waste Management Division
